ACKNOWLEDGEMENT

In the completion of the present application, there are many people who extended a helping hand in course of its development.

I wish to express my special thanks to **BANGALORE UNIVERSITY** for giving me an opportunity to do this report.

I wish to extend my thanks to our chairman, **Dr. T. SOMASEKHAR** for providing us a good environment to study and learn.

I wish to extend my thanks to our principal, **Dr. E JEROME XAVIER, Indian Academy Degree College, Hennur Cross, Bangalore**, for his encouragement and support.

Apart from that, **HOD Prof. ANURADHA** also helped us to come out of some logical problems which had kept me stuck onto it answered well all our queries.

I would like to express my sincere gratitude to my project guide **PROF. SATHISH P** and **Mr. AMAR SHAKYA** who has guided me a lot throughout the project development. If Amar Shakya would not keep on recalling us to do the project, I could not have completed it on time.

I would also thank my family who kept giving me moral and mental supports and thereby reducing the pressure.

Also I would like to acknowledge my course-mate who gave me the required help as needed. They helped me immensely when I got stuck in a few logical and coding problems. Apart from it, I even would like to acknowledge my group mate who equally gave it into the development of the project.
